GOLF

Ocean Dunes Golf Club

1 Ton Duc Thang Street Phan Thiet , Vietnam Tel: +84 (62) 823366 or 821995 - Fax: +84 (62) 821511

Ocean Dunes Golf Club opened in 1996 and immediately set the standard in Southeast Asia for links golf. Laid out by Masters and British Open champion Nick Faldo, Ocean Dunes winds through a pleasing obstacle course of windswept dunes and shimmering water hazards, with coastal breezes shaping its character day-by-day.

“Ocean Dunes is an outstanding natural site with the sand dunes, sea breezes, beach vegetation and sea views,” Faldo explains

The 18 holes are routed adjacent to the Novotel Ocean Dunes Resort , but the golf club welcomes non-hotel play. The clubhouse and its knowledgeable staff tend to a full pro shop, bar and restaurant . Rental clubs are available.

In its 2007 Planet Golf Survey, Golf Digest called out Ocean Dunes as the #2 course in the country. (The #1 course is the club’s sister course in Dalat.) The famed 9th, a breathtaking par-3 in the dunes, was selected one of "The Best 500 Holes in The World" by Golf Magazine. It's also a member in good standing of the "Finest Golf Clubs of the World". Asian Golf Monthly magazine identified the course as one of the top-10 resort courses in Asia.

Sea Links Golf and Country Club, Mui Ne, Vietnam

Sea Links Golf and Country Club - Nguyen Thong Street - Phu Hai Ward Phan Thiet Tel: +84 (0) 62 3741 666 or +84 (0) 62 3741 777

Sea Links Golf and Country Club is an 18 hole links golf course, located on sand dunes with panoramic views over the stunning Mui Ne Bay. The distance of 45 kilometres from the Resort is well worth the 45 minute journey, which takes you through Phan Thiet City. Sea Links opened in July 2008 and it already is receiving high ratings from the golfers who have played there.

Sea Links has been described as the most beautiful golf course in Vietnam. Hole numbers 7 and 8 are the most photographed holes of any golf course. But Sea Links is also the most challenging golf course in Vietnam. With undulating fairways, lots of bunkers and very big greens, it will be a test for all golfers, especially when the wind blows off the ocean. That is one of the reasons Sea Links has such a high return rate, golfers just love the challenge.

You have the option of walking the golf course with a local caddie or being driven by a caddie in an electric golf cart. The choice is up to you. There is a superb driving range, Wilson rental clubs and good quality golf shoes for rent as well. If you are a beginner or your game needs a fine tune, then lessons are available. The modern clubhouse overlooks the 18th green and views over the ocean. Drinks, snacks or main meals are available throughout the day.

Princess D'Annam Resort can arrange tee times for you and also provide a reliable transport service to take you from the Resort to the golf course and back.
