SANI TENNIS ACADEMY

SANI TENNIS ACADEMY

Enjoy your holidays at Sani Resort, with the endless golden beaches enchantingly framed by the crystal clear waters of the Aegean while experiencing excellent tennis coaching programmes and facilities.

Experienced, full-time coaches, all licensed and specially trained will lead you through all the steps of tennis learning in group sessions with match practice, or alternatively one-on-one training for all player strengths and age groups.

Sani Tennis facilities aim to provide an ideal environment not only to motivate young beginners but also to give advanced players the opportunity to continue training to a higher level.

ABOUT THE ACADEMY

Alongside our training courses we have a comprehensive tennis programme in a professional yet friendly and personal atmosphere.

Tournaments on regular basis with champion's prize, short introductory courses, show matches and stroke demonstrations by the coaches, a selection of test rackets (also for sale), racket grips, balls and clothing, racket stringing service, playing partner organisation and advice.

Partner courses

If you compliment each other in life but you also feel ready to commit to a doubles partnership on the tennis court, then this is the right programme for you. Partner courses is the best way to improve your communication on the court, recognise the strengths and weaknesses of each player, and become the ideal tennis combination.

Family packages

There's more than one reason to bring your family to Sani Tennis Academy. Here you can enjoy high level training including individual family packages especially designed for each family's needs.

Kids camps

We also organise camps for children from 4-12. Our young players will learn tennis skills, strategy and etiquette while enjoying their holidays.

Special Programs for Teens

For younger players we offer specially designed programmes educating the players, teaching technique and offering plenty of much practice. What's even more, fun is always part of the programme.
