Location

Koh Samui is Thailand's third largest island, but it remained secluded until recently. Settled about 15 centuries ago by fishermen from the Malay Peninsula and Southern China, the island did not begin appearing on maps of the region until the 17th century. Situated on a northern curve of the island beside Bophut Bay, Anantara Bophut is both conveniently located – only a few minutes away from the airport – and an escape from the bustling nightlife at nearby Chaweng Beach and from the rest of the world. Within the resort, abandon yourself to verdant stands of coconut palms, luxurious gardens, the warm sun, and all of those little touches that are distinctly Anantara.

Accommodation

Six different room types at Anantara Bophut come with luxurious facilities and services. The rooms feature deep terrazzo bathtubs for two, southern Thai inspired arts and décor, glorious sea views and patios or terraces with direct access to the lush Bill Bensley designed gardens.

Deluxe

Slide open the doors of your room, and emerge onto a private balcony overlooking the rich colours of tropical scenery. As you lounge on your built-in couch among Thai silk pillows, sea breezes gently ruffle your hair. Inside, terrazzo floors feel smooth and cool against bare feet as you walk towards the large bathtub for two in the stylish bathroom. Stay in comfort and style.

Deluxe Terrace

Walk from your private ground floor terrace into a tropical oasis, when you stay in the Deluxe Terrace rooms. Inside, silk draperies and brushed terrazzo floors give these spaces a stylish Thai feel. Sliding glass doors between the bedroom and bathroom reveal an oversized bathtub, completing the sensual décor.

Deluxe Sea View

Warm sunlight streams through the floor-to-ceiling windows of your room. On your private balcony, watch that same sunlight sparkle on the turquoise waters of Bophut Bay as coconuts in the palm trees softly knock together in the breeze. The soothing scene outside is brought in through contemporary furnishings with Thai touches and sumptuous bedding, adding to the tropical luxury.

Anantara Suite

Eighteen suites and 36 private balconies – double your views of tropical paradise with two private balconies when you stay in an Anantara Suite. Built-in couches on the sunny balconies and a sofa draped with silk in the living area are favourite spots for relaxing and napping. Soak in a deep terrazzo tub for two in a spacious bathroom separated from the bedroom by a sliding teak door before sinking into the suite's king-sized four-poster bed.

Royal Sea View Suite

Dream ensconced in a work of art when you sleep in the beautifully crafted fourposter king-sized bed in the Royal Suite. In the morning, discover a setting as beautiful as those of your dreams. Original pieces of Thai art adorn the walls and a furnished wrap-around balcony showcases sweeping ocean views. Sliding teak doors in the bathroom allow you to enjoy the magnificent tropical view during a long soak in the oversized bathtub.
