

DAIOS COVE

LUXURY RESORT & VILLAS

Nestled on a hillside overlooking the crystal waters of an exclusive private bay, Daios Cove is only 10 minutes from Aghios Nikolaos and 20 minutes from Elounda. With its waterfront location and private sandy beach, this luxury 5* resort masterfully blends into the surrounding landscape — and has quickly become an unsurpassed holiday destination.

DINING & BARS

Pangea Restaurant

A truly international buffet-style food bazaar, offering a tasty array of spectacular delicacies from all over the world — and special theme nights, too.

07.30 - 10.30 / 19.00 - 21.30

Taverna

A Cretan and Greek à la carte venue overlooking the cove which has a special ambience, particularly at night. Taverna serves superb local specialties — just right for guests who want to sample the famously healthy Cretan diet. Fish is a must-taste dish here with a fresh catch arriving every day by kaiki boat, destined for your plate.

12.00 - 00.00

Ocean Restaurant

Overlooking the infinity pool and the cove, the Ocean Restaurant is a picturesque setting for à la carte dinner, with a menu which offers Mediterranean cuisine with a fine dining twist. The Ocean also serves breakfast exclusively to Villa guests.

08.30 - 10.30 (exclusive for Villa guests) / 20.00 - 00.00

Ocean Bar

Guests who want refreshments without interrupting their swim are able to enjoy drinks and snacks without even leaving the pool.

10.00 - 18.00 (12.00 - 18.00 serving snacks)

Crystal Box Bar

At night, the cool, chic and contemporary Crystal Box shakes signature cocktails with live chill-out music and dancing. As its name suggests, the Crystal Box features vast windows which present spectacular views across the bay.

10.00 - 01.00

Beach Bar

Super-convenient for beach-lovers, our Beach Bar offers a choice of drinks and snacks down on the sand. Guests can enjoy refreshments while sitting at the bar — or orders can be taken from (and served to) their loungers.

09.00 - 19.00 / 12.00 - 18.00 (serving snacks)

The Dine Around programme applies - for dinner only - to Ocean restaurant and Taverna.

SPA BY ANNE SEMONIN

Daios Cove invites you to experience the SPA by Anne Semonin (2,500 m²), a perfect hideaway infused with the earth's energy and dedicated to purifying the body, balancing the mind, and elevating the soul. SHOPS

Anamnesis - Designer Memories

Make your memories of Daios Cove last forever with a gift from Anamnesis, our new contemporary design boutique. Here you'll find a range of mementos and designer objects — including unique ornaments, sculptures, toys, home accessories, plus beautifully packaged local produce — exclusively made by inspirational Greek labels. Anamnesis offers guests the chance to browse for timeless keepsakes from a very special holiday.

Mini Market

At our own Mini Market shopping facility — on Reception level, next to Funicular C — guests can stock up on a range of goods including books, newspapers and magazines, a premium selection of cigars and tobacco, plus water, snacks, Greek delicacies and even personal care products. The Mini Market has everything you need for your comfort and convenience.
