Sant Pere del Bosc Hotel

Your own chapel, surrounded by beautiful gardens, next to the majestic buildings marked by the architectural firm of Catalan Modernism (Gaudí). The restaurant and hotel offer an intimate setting of beauty and tranquility for your wedding.

A former monastery of privileged architecture with its own romantic chapel, lovingly restored and furnished to host your special day.

Getting married is one of the great moments of our lives, and all of us want it to become truly special, to forward our illusion to our beloved ones. We know the secret ingredients of the perfect moments and hold them in our hands to make sure your wedding will forever be a memory of a wonderful and unique event. We help you to take care of all organizational details through our extensive network of professionals. Our Chef is happy to create an exclusive and exquisite dining menu at the height of your dreams.

Our goal is to make your dream come true.
