

You're going to fall in love with these modern, relaxing suites boasting Zen décor and a fresh, healthy Mediterranean kitchen. Spacious rooms with a separate sunny seating area and a generous balcony represent your own private quarters just across the road from the beach. The five-star Maris is a sophisticated yet stylishly fresh option within the Kipriotis Resort Complex, ideal for families who espouse healthy living and the good things in life.

The new open-kitchen gastronomy concept at the Maris lets you order fresh culinary delights just the way you like them, while classy evening entertainment with a touch of jazz and light music are well appreciated by the guests. Just a few meters away, sky bar and lavish spa at the adjacent Kipriotis Panorama Hotel add a welcome bouquet of options to enjoy. The adjacent fitness center is popular with those that want to maintain a healthy lifestyle, offering a plethora of activities from yoga and Zumba to modern weight-lifting equipment and personal training. In the meantime, a whole world of fun-filled activities at the nearby Kipriotis Village Resort and Kipriotis Aqualand will certainly appeal to children of all ages.
