

# food. thoughtfully sourced. carefully served.

we are guided by our global philosophy that is focused on sourcing and providing fresh, flavourful, healthy, yet environmentally sustainable and ethical food options. look for our seafood that is third party certified sustainable or responsible to meet the rigorous standards set by independent labels.

fisheries certified under the msc sustainable standard for wild caught seafood or asc standard for responsibly farmed seafood have been assessed on core principles evaluating the environmental sustainability of the fishery or environmental and social responsibility of the farm.

enjoy in abundance, by choosing these products you ensure our oceans are teeming with life now and for future generations.
